

Dear Parents,

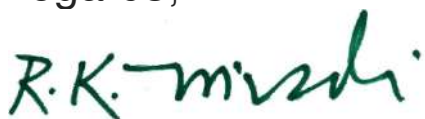

Greetings!

Hope you and your family are keeping well in this pandemic following a healthy COVID appropriate behavior. We are moving towards the end of the session 2021-22 with the beginning of our final assessment 2021-22 soon. We wish to appreciate the efforts and support of the parental community in achieving the new milestones of the co-operative & synergic learning.

With the help of your cooperation, we look forward to seeing all the students coming to school physically in the new session 2022-23. The detailed modalities in this regard will be shared soon in the form of circulars. Please keep taking the note of all such communication as and when disseminated.

The upcoming assessments are thoughtfully delayed to address the statistical evidence and the consolidated feedback of various stakeholders, on the current trends of the pandemic. However, we are open to implement any change, if so desirable, to address the welfare of the students.

Regards,

**R.K. Trivedi**  
**Principal**
