

British Council ISA Global Club

Today's generation is extremely creative. The ISA programme has a very positive impact on developing the pupils awareness of the culture of other countries. To help the teachers, the school authorities appointed a new international club comprising of students from classes VIII to XII. The ISA activities groomed our students into multi-faceted global citizens of the future, looking to live harmoniously with diverse social and cultural forces across the world.

The club activities ranged from sending emails, video conferencing, preparation of display boards, creative scrap books, power point presentation, observing international days, hoisting special international days, and special assemblies.

The global reach club is headed by Ishita Trivedi, Sartaj Singh, Shalini Soni, Anamika Patel, Rupa Singh, Abhishek Soni, Deepanshi Singhal, Anusha Garg, Bhawya Agrawal, Rahul Agrawal, Vishakha Agrawal, Ishita Agrawal, Pavit Singh Gujral, Sharanya Nanda whose primary roles are to assist in promoting international dimension in school and maintain links with the other club members to conduct the upcoming events and activities.
