UNESCO CLUB

UNESCO stands for United Nations Educational, Scientific and Cultural Organisation. It is a specialised agency of the United Nations (UN) aimed at promoting peace and security in the world through international cooperation in education, science, culture, and communication. UNESCO's main goals include:

- [1] **Promoting Education for All:** Ensuring inclusive and equitable quality education and promoting lifelong learning opportunities for everyone.
- [2] **Advancing Science:** Encouraging scientific research, innovation, and international collaboration to address global challenges.
- [3] **Protecting Cultural Heritage:** Preserving and promoting cultural diversity, heritage sites, and intangible cultural traditions.
- [4] **Fostering Freedom of Expression:** Promoting freedom of expression, access to information, and the development of communication and information technologies.

UNESCO's work is guided by its commitment to building peace, eradicating poverty, and promoting sustainable development. It operates through various programs, conventions, and partnerships to achieve its objectives and improve the lives of people around the world.

OPEN DAY PROGRAMME of Primary Wing at O. P. Jindal School on the theme **Harmony Through Rhythm**

World Art Day

International Mother Earth Day

International Day of Yoga

International Day of Older Persons

World Food Day

At OPJS, celebrating national and international days serves as a platform to educate youth about pressing global challenges and potential solutions. This initiative aligns with UNESCO's core values, promoting: education for all, building peace and promoting sustainable development.

By observing these days, OPJS empowers students to become informed, engaged, and proactive contributors to creating a better world.
